Schloss Hamborn Anniversary

Our sister school, Schloss Hamborn in Germany, are celebrating their 70th Anniversary tomorrow. Our connections go back a long way and Elmfield was instrumental in helping them start their own journey. To mark this ongoing relationship, Ian Neale and Heather Howes are travelling out to Germany today to represent Elmfield at the celebrations and present a specially commissioned glass plaque to the school. The plaque was made possible through the generosity of the PTFA to whom we are most grateful. It can be seen on our Facebook page and was made by Charlotte Hughes-Martin who is based at the red house glass cone in Stourbridge. We hope the celebrations go well and the whole Schloss Hamborn community have a fabulous day.

Schloss Hamborn Shakespeare Play

It's that time of year again and on Sunday evening Class 10 from Schloss Hamborn arrive at Elmfield for their annual visit. Our pupils visited them last term and are now eagerly awaiting seeing their new friends again. This visit would not be possible without all the families and staff who are hosting the students in their houses and we really can't thank you all enough. The highlight of their visit is the Shakespeare Play they have been working on. This year it's "Taming of the Shrew" and performances are on Friday 29th Sept at 7.30 pm and Saturday 30th Sept at 7.30 pm. The Plays are always wonderful and we hope to see as many of you there as possible.

Elmfield Gift Shop

Welcome back! Do come and visit us as new stock is arriving daily! Our Fair Trade ranges are being replenished - including new purses, sun catchers and incense. Just in! Our first consignment of the Maria Thun Biodynamic Calendar: 2018 (£7.99) - get organised and buy your copy early this year! Also available The Stargazers' Almanac 2018 (£14.99) and the ever popular Elsa Beskow Calendar 2018 (£9.99). Finally, at the end of last term, we found a bag of paper patterns for children's clothing. We are unsure whether they were a general donation to school, or were intended to be given to a specific person? Can anyone shed any light on this?

Our Love Lane entrance is open 9.00am - 4.00pm Monday - Friday (Term Time only) Elmfield families are welcome from 8.30am via the school entrance. A reminder that the minimum spend on a credit or debit card is now only £1.00. Thanks. The Shop Team

Are you from the Americas?

I am looking for people from South America, Central America, the Caribbean and the U.S to come in and talk about the place they grew up in as part of my class 7 Geography main lesson on the Americas. If you would like to help me out and bring a real authentic experience to the children of class 7, and you are available, for about half an hour, one morning between October 5th and 12th, please contact me on gavin.ferris@elmfield.com or on 07423064761. Many thanks, Gavin Ferris, class 7 teacher.

Future Steps Programme

If you, or someone you know, could give a short talk on your career path, then please let me know ASAP at: elaine.sheppard@elmfield.com This would be a 20/25 minute talk to our classes 9/10/11 outlining your career path to give them a little window into that area and possible short question and answer session. Thank you, I look forward to hearing from you.

Silver DofE Expedition

Congratulations to all our pupils who undertook their Silver DofE Assessed Expedition over the weekend. They spent three days in the beautiful Elan Valley in Wales and all did incredibly well. It's an amazing achievement and they should all be really proud of themselves. They covered 50km, camped out for two nights and experienced lots of different weather! This expedition came after their successful Practice Expedition in the Long Mynd last term.

They've all learnt so much and it was great to see just how far their skills have come on. Ten minutes into camp on the first day and their tents were already up despite the rain, with everyone looking really organised. The Assessor was very impressed as were we. Most impressive though was their team spirit, mutual support, and general cheeriness across the three days despite the sore feet and heavy packs. We do Bronze and Silver DofE at Elmfield and it's a great opportunity for the pupils to learn new skills and gain real confidence in their abilities. The Bronzes did both their expeditions last term and did really well too. Hopefully some of them will now step up and take on the even bigger challenge of Silver.
