Anti-radicalisation policy and staff guidance

Elmfield Rudolf Steiner School is fully committed to safeguarding and promoting the welfare of all its pupils. As a school we recognise that safeguarding against radicalisation is no different from safeguarding against any other vulnerability. At Elmfield all staff are expected to uphold and promote the fundamental principles of British values, including democracy, the rule of law, individual liberty, mutual respect, and tolerance of those with different faiths and beliefs.

The Prevent Strategy

Elmfield School is actively involved in the Prevent Strategy. The school has a part to play in fostering shared values and promoting cohesion. Extremist ideology runs counter to the school and British values. Therefore, our community aims to successfully promote respect and tolerance for others, the rights of all to live and study free from persecution of any kind, freedom of speech, democracy, the rule of law and equality of opportunity and treatment. Extremism promotes fear and division and actively seeks to cause destructive relationships between different communities. Our school strategy for preventing extremism has five key objectives:

1. To promote and reinforce school and British values; to create space for free and open debate; listen and support the learner voice and enable pupils to develop their self-knowledge, self-esteem and self-confidence.
2. To promote social cohesion by supporting inter-faith and inter-cultural dialogue and understanding, and to engage all students in playing a full and active role in wider engagement in society.
3. To ensure pupil safety and that the school is free from bullying, harassment and discrimination.
4. To provide support for pupils who may be at risk and offer appropriate sources of advice and guidance.
5. To ensure that pupils and staff are aware of their roles and responsibilities in preventing terrorism and radicalisation.

Our school, like all others, is required to identify a Prevent Single Point of Contact (SPOC) who will be the lead within the organisation for safeguarding in relation to protecting individuals from radicalisation and involvement in terrorism. The SPOC for Elmfield School is Ruth Beachim-Ratcliffe.

LINKS TO OTHER POLICIES

This Anti-Radicalisation policy statement links to the following policies and documents:

- Child Protection Policy
- Anti-Bullying Policy
- British Values Statement
- Prevent Duty Risk Assessment and Action Plan

AIMS AND PRINCIPLES

The main aims of this policy statement are to ensure that staff are fully engaged in being vigilant about radicalisation; that we overcome professional disbelief that “*such issues will not happen here*” and ensure that we work alongside other professional bodies and agencies to ensure that our pupils are safe from harm.

The objectives are that:

- All Council members, teachers and non-teaching staff will have an understanding of what radicalisation and extremism are and why we need to be vigilant in school.
- All Council members, teachers and non-teaching staff will know what the school’s policy is on anti-radicalisation and extremism and will follow the policy when issues arise.

DEFINITIONS AND INDICATORS

Radicalisation is defined as the act or process of making a person more radical or favouring of extreme or fundamental changes in political, economic or social conditions, institutions or habits of the mind. Extremism is defined as the holding of extreme political or religious views.

PROCEDURES FOR REFERRALS

Although serious incidents involving radicalisation have not occurred at Elmfield to date, it is important for us to be constantly vigilant and remain fully informed about the issues which affect the region and country in which we live. Staff are reminded to suspend any professional disbelief that instances of radicalisation “*could not happen here*” and to refer any concerns through the appropriate channel (currently via the Designated Safeguarding Lead).

THE ROLE OF THE CURRICULUM

Our curriculum promotes respect, tolerance and diversity. Children are encouraged to share their views and recognise that they are entitled to have their own different beliefs which should not be used to influence others.

Our PSHEE provision is embedded across the curriculum and underpins the ethos of the school. Children throughout the school learn about a wide variety of religions and beliefs in a respectful and balanced way. Active debate and questioning is promoted in the delivery of lessons.

It is recognised that children with low aspirations or low self-esteem are more vulnerable to radicalisation and therefore we strive to equip our pupils with confidence, self-belief, respect and tolerance as well as setting high standards and expectations for them.

Children are taught about how to stay safe on line and are encouraged to recognise that people are not always who they say they are. They are taught to seek adult help if they are upset or concerned about anything they read or see online.

STAFF GUIDANCE

Through INSET opportunities and briefings in school, we will ensure that our staff are fully aware of the threats, risks and vulnerabilities that are linked to radicalisation and that they are aware of the process of radicalisation and how this might be identified early on.

Birmingham Model Safeguarding Policy

The model policy from the Birmingham Local Safeguarding Children Board contains useful material, which is summarised below as an aid to staff.

Indicators of vulnerability include:

Identity

- the student / pupil is distanced from their cultural / religious heritage and experiences;
- discomfort about their place in society;
- personal crisis – the student / pupil may be experiencing family tensions;
- a sense of isolation;
- low self-esteem;
- they may have dissociated from their existing friendship group and become involved with a new and different group of friends;
- they may be searching for answers to questions about identity, faith and belonging.

Personal Circumstances

- migration;
- local community tensions; and
- events affecting the student/pupil's country or region of origin may contribute to a sense of grievance that is triggered by personal experience of racism or discrimination or aspects of government policy

Unmet Aspirations

- the student/pupil may have perceptions of injustice;
- a feeling of failure;
- rejection of civic life.

Experiences of Criminality

- involvement with criminal groups
- imprisonment; and
- poor resettlement/reintegration on release

Special Educational Needs

- difficulties in social interaction
- difficulties in empathising with others
- difficulties in understanding the consequences of their actions; and awareness of the motivations of others.

More critical risk factors could include:

- being in contact with extremist recruiters;
- accessing violent extremist websites, especially those with a social networking element;
- possessing or accessing violent extremist literature;
- using extremist narratives and a global ideology to explain personal disadvantage;
- justifying the use of violence to solve societal issues;
- joining or seeking to join extremist organisations; and
- significant changes to appearance and/or behaviour;
- experiencing a high level of social isolation, resulting in issues of identity crisis and/or personal crisis.

Action to be taken by Elmfield Council members, staff and volunteers

If any Council member, member of staff or volunteer has any concerns about a pupil they should refer their concerns immediately to the Designated Safeguarding Lead in the same way that a child protection concern is referred. This may be a very obvious concern (e.g. a pupil has been seen accessing websites promoting violent extremism) or a less obvious concern (e.g. a pupil matches many of the above warning signs or risk factors: they have become isolated, angry, are experiencing family tensions, have changed friendship groups and have begun to justify the use of violence to resolve injustices).

The usual vetting of Council members via references, social media checks and an interview is important in ensuring the suitability of our Council of Management.

The Department for Education has set up a telephone helpline (020 7340 7264) to enable people to raise concerns directly. Concerns can also be raised by email to counter.extremism@education.gov.uk

POLICY REVIEW

This document will be reviewed annually.
