

Elmfield School Fee Discount Application Form 2020-2021

Deadline: Tuesday 5th May 2020

Guidance notes

If your circumstances are affected by the Covid-19 situation and have changed very recently, please provide as much information as you can in the box provided, or in a separate email/letter.

Elmfield School aims to make its education available to pupils from as diverse a range of background as is possible. Elmfield relies almost entirely on fees paid by families and therefore expects parents to view their payments to Elmfield as a top priority.

- There is no discount available for Parent and Child Group or for boarding pupils.
- It is recommended that parents use the discount calculator to see whether they may be eligible for a discount application.
- Families who live more than 35 miles from the School are not eligible for a discount. Families must have lived within 35 miles from the School for one full year before they may become eligible for a fee discount.
- There is a finite budget for fee assistance and there is no guarantee of a discount being given or being maintained at a level offered previously. The School reserves an absolute right of discretion.
- All families are subject to the following minimum charges: £3,960 per year for one child; £5400 per year for two children; £7,200 per year for 3 children.
- Priority will be given to families already in the School, then to new applicants subject to eligibility. Applications after the deadline will lose any priority and full fees may become payable.
- Fee Discounts are offered on the basis of last resort. Applicants must consider all other possible sources of funding before applying to the School, including use of savings, relocation and family help.
- Families are expected to have explored every avenue to increase their income including claiming all benefits to which they may be entitled. Families re-applying for a discount may also be asked about attempts to increase their income.
- Families whose income is reduced by a lifestyle choice will not be eligible (e.g. opting to leave paid employment to study/stay at home).
- Single parents who apply for discounts are expected to make reasonable endeavours to obtain a contribution to school fees and living costs from the absent parent.
- Applicants for fee discounting are expected to earn (short term only) a minimum amount of £6500 for couples or £2500 for single parents, and to demonstrate that they are making reasonable efforts to increase their income. Exceptional circumstances such as medical reasons or disability will be taken into account.
- All prior debts to the School must either be repaid or subject to an agreed repayment plan.
- The decision of the Finance Committee is final.

Please supply photocopies of any documentation you provide. Documentation will not be returned.

You are required to submit bank statements for all your bank accounts covering the period 1st Jan 2020 to 30th Mar 2020 in addition to items outlined in the form below. For the self-employed, please provide your most recent 2 years of accounts.
